Notes for the guidance of applicants.

Road access to the club is via Meadow Lane and Trent Lane, Long Eaton and then across farming land. No Member is allowed to stray from the clearly defined road. The farm gates should at all times be closed irrespective of how they are found.

The Committee organises a gratuity collection for the Steward at Christmas time.

The Club does not own most of the sailing boats and they are mainly Members' private property. Please ask about the Training boat or Training courses if you wish to helm.

For club records.
